AQUATIC TIP OF THE MONTH

Did you know? Here at the Wellness Center both our pool and spa waters are UV treated. The benefits of UV are two fold. Upon entering the natatorium you will notice the lack of a heavy, "chlorine smell". This is because UV treatment destroys chloramines, a range of compounds responsible for unpleasant smells in pools. Additionally, UV kills bacteria, viruses, and mold spores. We are glad to be part of your wellness routine this winter season. Enjoy!

Open/Lap Swim: Recreational swim for all ages. Generally includes designated lap swim lanes.

Lap Swim: Designated lap lanes. Open to all ages. We encourage swimmers to circle swim during peak hours. Please attempt to find a lane with swimmers of a similar skill level/speed when sharing a lane. Lifeguards may reassign swimmers to different lanes according to speed and skill.

Aqua Fitness with Deb Dixon: Co-ed shallow water fitness class that offers a cardio workout. Build stamina, strength, and tone. Non-swimmers welcome. Included with Premium membership and Premium day pass. Standard membership participants pay a \$5 drop in fee.

Deep Water Workout with Deb Dixon: This is a medium-high intensity workout done in deep water, while wearing an adjustable flotation belt. This workout combines short, high intensity exercise with slower, steady endurance work, followed by muscle toning and a series of stretches to increase flexibility. Participants are encouraged to bring their own belt (the instructor has a limited supply) and must know how to swim. Included with Premium membership and Premium day pass. Standard membership participants pay a \$5 drop in fee.

Aqua Zumba with Patricia Nelson: Dance, music and exercise are combined into a fun and energetic aquatic workout. Included with Premium membership and Premium day pass. Standard membership participants pay a \$5 drop in fee.
